C. CAMP ELIGIBILITY

Eligible counties will receive an allocation for JPCF through the Vehicle Licensing Fees (VLF) administered by the State Controller's Office based upon their reported number of occupied camp bed days, not to exceed rated capacity.

A camp, for the purpose of allocating funds from subparagraph (C) of paragraph (2) of subdivision (b) of Section 18220 of the Welfare and Institutions Code (WIC), is defined by WIC Section 881:

881. The board of supervisors of any county may, by ordinance, establish juvenile ranches, camps, or forestry camps, within or without the county, to which persons made wards of the court on the ground of fitting the description in Section 602 may be committed. As far as possible, the provisions of this chapter relating to commitments to the probation officer shall apply to commitments to those juvenile facilities, except that where any ward proves to be unfit to remain in any facility, in the opinion of the superintendent or director thereof, the superintendent or director shall make a recommendation to the probation department for consideration for other commitment. Complete operation and authority for the administration shall be vested in the county.

Based on this definition of a camp, do you anticipate your county being eligible for a camp allocation in this fiscal year? Yes ☐ No ☐
